National Philanthropy Day is a special day set aside by the Association of Fundraising Professionals (AFP) to recognize the contributions of those active in the philanthropic community who are making our community a better place for all.

This is an excellent opportunity to promote to the many community leaders throughout SEWI who participate in this event.

**Thank You For Making an Impact on Philanthropy**

*We are optimistic that our 43rd National Philanthropy Day Luncheon will be able to take place as planned. However, we are also developing contingency plans in the event that it will not be possible to stage some or all of the day's events. Regardless, we plan on conducting a wonderful program and hope that you will join us in celebrating those making our community a better place for all.*
