

Wisconsin Organization Philanthropy Award Nominated by *Habitat for Humanity of Waukesha County*

Eaton is dedicated to transforming communities into vibrant places. With a global presence, their employees reflect their commitment to the community through their skills and ideas. Eaton's company culture is exemplified by their staff's work ethic and passion in volunteer and advocacy efforts.

They have been instrumental in supporting nonprofit organizations in Southeastern Wisconsin. Eaton team members volunteered over 33,000 hours in 2022. Since 2020, they have donated approximately \$10 million worldwide, with 75% supporting health and human services, 20% for education, and 5% for civic and cultural organizations.

Eaton has been recognized as one of CR Magazine's "100 Best Corporate Citizens" for 13 years. Eaton's dedication to corporate responsibility and community involvement is evident in their volunteerism, charitable contributions, and distinguished corporate citizenship. They leave a legacy of vibrant communities worldwide.
